GLASSES FOR KIDS IS COMING TO YOUR SCHOOL!

Your child is eligible to receive **FREE** vision screening, testing and glasses through the Glasses for Kids program—available to **Foundation (Prep) to Year 3** students. This service is provided at no cost and takes place at school.

How does the Glasses for Kids program work?

- GFK partners with qualified optometrists who will visit your child's school and offer your child initial vision screening and if required, further testing and glasses at no cost.
- All screening and testing sessions will be completed during school hours.

Who can participate?

- Primary Schools: Prep – Year 3 students.
- Specialist Schools: Students aged 5 to 10 years old.

How can my child be part of the program?

- Please complete the online consent form using the QR code. If preferred, simply complete the attached consent form and return it to your school by the due date.

Can children who currently wear glasses be part of GFK?

- Yes, they can. If their glasses are less than 12 months old, please provide a copy of their latest prescription if available.
- If your child is already under the care of another optometrist, please share any relevant information on the Optometrist Questionnaire.

What if my child is nonverbal or a non-English speaker?

- They can still participate; the optometrists we partner with have resources and techniques to work with nonverbal or non-English speaking students.

Do I have to complete a separate form for each child?

- Yes, each student must have a completed Consent Form

How do I get the results for my child?

- Your child will receive a letter about their vision screening outcome to bring home at the conclusion of our visit.

What if my child needs glasses?

- If the optometrist prescribes glasses for your child, GFK will provide them at no cost.
- Your child will have the chance to choose their glasses and be fitted on the day.
- Your child will be given a letter telling you why the glasses have been prescribed.
- Glasses will be sent directly to the school 3-4 weeks after the visit

Privacy and Information Handling

The personal and health information collected through this process will be held by your child's school, State Schools Relief and the relevant Program partners (optometrists) who conduct and supervise the screening and testing of your child.

The information collected is used for the purpose of administering and providing the services of the Program. This Consent Form will be shared with the appropriate school and department staff, staff within SSR and the Program partners optometrists, who require such information to facilitate your child receiving services provided through the Program, or otherwise when permitted or required by law. If required, you can request access to the information collected about your child for the Program by contacting your child's school in the first instance.

The department, SSR and its relevant Program partners will handle your and your child's personal and health information (including this form) in accordance with the Privacy and Data Protection Act 2014, the Health Records Act 2001, and the department's privacy policies.

The department's privacy policies can be found here: <https://www.education.vic.gov.au/Pages/privacy.aspx>

Please complete all details if you consent to your child participating in the Glasses for Kids program

- I confirm that I have read the Information for Families.
- I understand that an optometrist may need to clarify or discuss further details with me and I have provided my phone number.
- I authorise and consent to my child receiving free initial vision screening and if needed, testing and glasses by a registered optometrist at school through the Program.
- I consent to the optometrist conducting an eye test that may be bulk billed to Medicare. I authorize the optometrist to assign the Medicare benefit on behalf of my child and I acknowledge that there may be limitations to how frequently these eye tests can be billed to Medicare.
- I understand that if glasses are required, my child will select these on the day from SSR's range of frames. These will be delivered to the school after the visit. If this pair of glasses is lost or broken within 12 months after our visit, we will replace this pair of glasses free of charge.
- I understand that the range of lenses provided by SSR are limited, and that I may request a copy of the lens prescription and/or any other relevant prescription that is prescribed by the optometrist.
- I understand that the services performed by the Glasses for Kids program is not a replacement for routine eye care.
