

Enhancing SSR's Impact

Strategic Plan 2023 - 2028

Our Strategy

To enhance the quality of educational experiences for government school students.

Our Values

Equality, Dignity, Belonging

Our Vision

State Schools' Relief will be recognised as a national exemplar of charitable providers of educational support for disadvantaged students and families by 2028.

✔ We Will Be

Efficient, agile, flexible and sustainable

Community focused, accessible and responsive

Enabling, meeting need with impact

Innovative in service and practice

✔ To Deliver

High quality educational resources and projects that meet the needs of students and their families in need.

✔ That Generate

- Improved student outcomes
- Enhanced participation in schooling
- Strengthened communities

✔ Our Measures of Success

- User feedback on impact of our services
- Uptake of our services
- Satisfaction with SSR's performance
- Strong governance processes and practices
- Sustainable financial performance
